Electronic Church Giving

As you may know, many parishes have started to offer parishioners the opportunity to give financially to their church family through on-line banking. Most people today, especially younger people, do all their banking on-line. Several parishioners who travel a lot or forget their envelopes have told us that they would be much more consistent and generous in their giving if they could do it on-line.

There are two options from which you can give electronically: (1) You can initiate the payment through your bank and on-line banking program or (2) We can initiate the payment from our bank. (sign-up below)

If you would decide to switch to this way of giving to your church, carefully follow these instructions:

- Use this enrollment form to indicate the amount you wish to contribute each month from your checking account. (beginning January, 2006)
- Print your name, envelope #, and complete address. (If you do not know your envelope # or do not have one, leave blank)
- Sign and date this enrollment form.
- Enclose a voided check (this is very important)
- Indicate amount of your gift and the fund you wish it to be credited to.
- Choose the date of each month for your donation to be sent.
